

<p>Item 1 11/00369/FUL Land end of and between Park Gardens and Hawkwell Park Drive, Hawkwell</p>	<p>1. Correction to Published Report</p> <p>Paragraph 1.1 refers to bridleway (36) and public footpath (23) running to the eastern boundary of the site. In fact only bridleway (36) is now designated as public right of way as a consequence of a definitive map modification order to rationalise the public rights of way in this position, confirmed in March 2011. In addition, the reference to Plot 4 within paragraph 1.40 should correctly read Plot 2.</p> <p>2. Conclusion</p> <p>The recommendation remains a RECOMMENDATION FOR APPROVAL, as reported.</p>
<p>Item 2 11/00411/FUL Lawn Lodge, Hall Road, Rochford</p>	<p>1. Consultation Response Received from the Ancient Monuments Society</p> <p>The Lodge dates from 1939. It is a sedate but quite polished Neo Classical design, no doubt by the same hand that added Classicising detailing to the main house at the same time. The proposed re-building, to a slightly enlarged footprint, lacks the sophistication of the existing. We urge that the present lodge be retained.</p> <p>2. Conclusion</p> <p>The recommendation remains a RECOMMENDATION FOR REFUSAL, as reported.</p>
