
LOCAL COUNCIL TAX SUPPORT SCHEME 2022/23

1 PURPOSE OF REPORT

- 1.1 To seek Council approval of the revised Local Council Tax Support (LCTS) scheme for 2022/2023 to be implemented from 1 April 2022 (Appendix 1).
- 1.2 To seek Council approval of the updated Discretionary Reduction in Council Tax Liability Policy for 2022/2023 to be implemented from 1 April 2022 (Appendix 2).

2 CURRENT LCTS SCHEME

- 2.1 LCTS replaced Council Tax Benefit (CTB) with effect from April 2013. Under statute, people of state pension age were protected from any impact of the LCTS scheme. Consequently, eligible pensioners continue to receive support equivalent to the same amount they would have received under the CTB scheme. The level of support the Council could provide to working age claimants was less than they would have received under the CTB scheme to keep the LCTS scheme cost neutral overall.
- 2.2 Under the Council's current scheme, the maximum level of LCTS that is offered to a working age resident is 72% of their Council Tax liability. The "mode" maximum support across Essex is 75%. Under the Council's current scheme residents who live in a property that falls within Council Tax band E, F, G or H have their level of support restricted to a band D equivalent and self employed residents may be subject to a "minimum income floor".
- 2.3 Eligibility for working age residents is currently assessed through a complex means tested process which can be difficult to understand. To make an application for LCTS, a working age person is required to complete a 28-page application form and provide evidence of income and capital for all relevant people in the household.
- 2.4 The complexity of the means testing process also means that the scheme requires significant resource to administer. Each time a recipient of LCTS has a change in income, no matter how small, they are required to notify the Council. Their entitlement will be reassessed, and they will receive a revised Council Tax bill and new set of LCTS notification letters. Regular changes in entitlement also means more residents fall into arrears and are subject to recovery action.
- 2.5 The current average time for officers to process a new claim for LCTS is 30 days. The current caseload and expenditure for our LCTS scheme is set out in the table below.

	Current Caseload	Cost (£m)
Pensioners	1,804	2.15
Working Age	1,784	1.5
Total	3,588	3.65

3 PROPOSED 2022/2023 LCTS SCHEME

- 3.1 In order to simplify the scheme for residents, reduce the complexity of the application process and to reduce administration costs to the authority, it is proposed to introduce a simplified LCTS scheme from 1 April 2022, based on a banded income table that calculates support based on eligible weekly income and the number of dependent children. Eligible residents would be entitled to a reduction of either 75%, 50% or 25% of their Council Tax liability.
- 3.2 The table below illustrates how support would be calculated.

Household	Weekly Eligible Income				
	£0.00- £100.00	£100.01- £175.00	£175.01- £250.00	£250.01- £325.00	£325.01- £400.00
Single Person	75%	50%	25%	0%	0%
Couple With no Children	75%	50%	25%	0%	0%
Single Person with 1 Child	75%	75%	50%	25%	0%
Couple with 1 Child	75%	75%	50%	25%	0%
Single Person with 2 Children	75%	75%	75%	50%	25%
Couple with 2 Children	75%	75%	75%	50%	25%

Eligible Income

- 3.3 The first £20 per week of household earnings would be ignored when calculating a resident's income. Child benefit and disability benefits would also be disregarded, as would the equivalent entitlement under Universal Credit. There would be no cap on support based on the Council Tax band of a property, meaning that residents who live in properties that are banded E, F, G or H would have their full Council Tax liability considered. The minimum income floor for self-employed residents would be removed. Families with

more than two children would have their support restricted to the same as a family with two children, in line with current Welfare Reform rules.

Application Process

- 3.4 To make an application residents would complete a short online form with the only required evidence being proof of National Insurance Number. The intelligent online form would advise the resident of their level of support at the point of application, making it easier for them to manage their finances. Residents would no longer receive complex notification letters as all the information regarding their support would be contained on their Council Tax bill.
- 3.5 Simplifying the scheme will reduce processing times and mean residents are less likely to fall into arrears. It will also reduce the number of changes officers must process, and associated administrative resource required.

4 POTENTIAL IMPACT ON RESIDENTS OF THE REVISED LCTS SCHEME

- 4.1 The quick and simple application process, alongside the reduction in processing times, should provide greater certainty to residents, and decrease the likelihood of arrears arising. This will not only improve the customer journey but should make it easier for residents to manage their personal finances and pay their Council Tax on time.
- 4.2 Detailed modelling was conducted to estimate how many residents may be affected by the proposals. Based on the Council's existing caseload, of the current total of working age residents in receipt of LCTS, 1,552 residents would see an increase in their level of support under the new proposals and 232 would see a reduction in their level of support.
- 4.3 The 1,552 who would have an increase in support have an average gross weekly income of £237.42. On average these residents will receive an extra £1.63 per week in support.
- 4.4 The 232 residents who would have a reduction in support have an average gross weekly income of £439.68. On average these residents would have a £7.25 per week reduction in support.
- 4.5 All the proposed changes would only impact working age residents, as pensioners continue to be protected by government under statute.
- 4.6 A hardship fund would remain in place to further support residents claiming LCTS who are in extreme financial difficulty. This is called 'The Discretionary Reduction in Council Tax Liability Policy' and has been in place since 2013. The only proposed change to the policy is the removal of any reference to the Council Tax Hardship Fund (Covid 19) which offered £150 extra support to all working age Local Council Tax Support recipients for the 2021/22 financial year only. Funding for the additional Covid-19 support was provided by Central Government under Section 31 of the Local Government Act 2003 but

will not continue for the 2022/2023 financial year. The updated policy can be found at Appendix 2 of this report.

5 CONSULTATION

- 5.1 The Council invited all major preceptors to comment on the proposals; however, no responses were received.
- 5.2 Officers have also met with representatives for Citizens Advice and Job Centre Plus to discuss the proposals with no negative comments received.
- 5.3 A public online consultation was conducted between 4 October 2021 - 14 November 2021. The consultation was advertised via social media, on the Rochford District Council website and via a press release which was issued on 4 October 2021. Paper copies were made available for residents who required them.
- 5.4 There were 31 respondents to the public consultation. Residents were asked whether they strongly agreed, agreed, neither agreed nor disagreed, disagreed or strongly disagreed with eleven questions regarding the proposed scheme. Residents also had an opportunity to make any further comments regarding the proposal at the end of the consultation.
- 5.5 When asked “How do you feel about Rochford District Council’s proposal to move to a simplified banded Council Tax Support scheme?” 23 (74%) either agreed or strongly agreed.
- 5.6 When asked about the proposal to cap support if the resident had more than two children, 20 (65%) either agreed or strongly agreed.
- 5.7 Residents were also asked how they felt about leaving the scheme unchanged. 8 (26%) either agreed or strongly agreed that the Council should not make any changes to the scheme.
- 5.8 Full details regarding the consultation results can be found in Appendix 3 of this report.

6 RESOURCE IMPLICATIONS

- 6.1 The proposed scheme is anticipated to be broadly cost neutral when compared to the current scheme in terms of the overall level of LCTS reductions awarded i.e., £3.65m cost p.a. in reduced council tax bills.
- 6.2 A hardship fund would be retained which is made available to residents who are in receipt of LCTS and are having difficulty paying their remaining Council Tax liability. This is normally budgeted at 0.2% of the anticipated LCTS expenditure but will be doubled in 2022/23 to provide additional support. Access to the fund is made at the officer’s discretion.

- 6.3 The simpler application and administration process would result in reduced officer time, printing, and postage costs which is estimated would save the Council c.£41,000 per annum. The saving of officer time would be used to provide additional support to residents and to carry out compliance work e.g., conducting reviews on LCTS cases to ensure residents are receiving the correct level of support and providing assistance to the Council Tax recovery team.

7 LEGAL IMPLICATIONS

- 7.1 The Council is required, under a statutory duty, to review its LCTS scheme annually, consult with various groups and interested parties on proposed changes and to consider whether to revise its scheme or replace it with another one.
- 7.2 The Council must make any revisions to its scheme, or any replacement scheme, no later than 11 March of the financial year preceding that for which the scheme is to have effect. The draft 2022/2023 LCTS scheme can be found in Appendix 1 of this report.
- 7.3 The Local Government Finance Act 1992, as amended, states that a billing authority must have a policy in place to consider applications for a Council Tax reduction in exceptional circumstances.

8 EQUALITY AND DIVERSITY IMPLICATIONS

- 8.1 A full equality and diversity impact assessment has been carried out in relation to the proposed changes and can be found on the Council website.
- 8.2 In depth modelling has been conducted to ensure that protected groups are not worse off using the data that is available. Whilst some households with a disabled household member will receive less support under the proposals, this is not disproportionate when compared to households without a disabled household member.
- 8.3 Disability benefits such as Personal Independence Payments and Disability Living Allowance would not be included when calculating a resident's weekly income. For Universal Credit residents any extra income received to assist with housing costs, because the resident had a disabled child, for being a carer or for childcare costs would not be included when calculating a resident's income.

9 RECOMMENDATION

- 9.1 It is proposed that Council **RESOLVES**

- (1) That the proposed changes to the LCTS scheme be approved to come into effect from 1 April 2022 as detailed in the Section 13A policy (Appendix 1).

- (2) That the updated Discretionary Reduction in Council Tax Liability Policy be approved to come into effect from 1 April 2022 as detailed in the Section 13A (1) (c) policy (Appendix 2).

1.0 Introduction to the Council Tax Support Scheme

1.1 The following has been adopted by the Council and details the Council Tax Support scheme for the period from 1st April 2022. For the purposes of this scheme, the term Council Tax Support has the same meaning as Council Tax Reduction within the regulations.

1.2 This document details how the scheme will operate for both pension credit age and working age applicants and in accordance with Section 13A of the Local Government Finance Act 1992 specifies the classes of person who are to be entitled to a reduction under the scheme and is effective from 1st April 2022 for a period of one financial year.

1.3 The scheme in respect of pension age applicants is defined by Central Government within the following:

- Council Tax Reduction Schemes (Prescribed Requirements) (England) Regulations 2012;
- Council Tax Reduction Schemes (Prescribed Requirements and Default Scheme) (England) (Amendment) Regulations 2012;

- Local Government Finance Act 1992 (as amended by the Local Government Finance Act 2012).

The scheme for pension age applicants – Central Government’s scheme as defined by the Council Tax Reduction Scheme (Prescribed Requirements) (England) Regulations 2012

1.4 There are three main classes under the prescribed pension credit age scheme, for each of which there are a number of qualifying criteria. In all cases individuals must not be of a prescribed class exempted from reduction, such as a person subject to immigration control with limited leave to remain. The definition of a pension credit age person is a person who;

- (a) has attained the qualifying age for state pension credit; and
- (b) is not, or, if he has a partner, his partner is not;
 - i. a person on income support, on an income-based jobseeker’s allowance or on an income-related employment and support allowance; or
 - ii. a person with an award of universal credit

The three prescribed classes are as follows;

Class A: pensioners whose income is less than the applicable amount.

On any day Class A consists of any person who is a pensioner:

- (a) who is for that day liable to pay council tax in respect of a dwelling of which he is a resident;
- (b) who, subject to paragraph 5 of Schedule 1 of the Council Tax Reduction Schemes (Prescribed Requirements) (England) Regulations 2012, is not absent from the dwelling throughout the day; in respect of whom a maximum Council Tax Reduction amount can be calculated;
- (c) who does not fall within a class of persons prescribed for the purposes of paragraph 2(9) of Schedule 1A to the Local Government Finance Act 1992 and excluded from the authority's scheme;
- (d) whose income (if any) for the relevant week does not exceed his applicable amount calculated in accordance with paragraph 9 and Schedule 2 of the Local Government Finance Act 1992;
- (e) not have capital savings above £16,000; and
- (f) who has made an application for a reduction under the authority's scheme.

Class B: pensioners whose income is greater than the applicable amount.

On any day class B consists of any person who is a pensioner:

- (a) who is for that day liable to pay council tax in respect of a dwelling of which he is a resident;
- (b) who, subject to paragraph 5 of Schedule 1 of the Council Tax Reduction Schemes (Prescribed Requirements) (England) Regulations 2012, is not absent from the dwelling throughout the day; in respect of whom a maximum Council Tax Reduction amount can be calculated;
- (c) who does not fall within a class of person prescribed for the purposes of paragraph 2(9) of Schedule 1A to the Local Government Finance Act 1992 and excluded from the authority's scheme;
- (d) whose income for the relevant week is greater than his applicable amount calculated in accordance with paragraph 9 and Schedule 2 to the Local Government Finance Act 1992;
- (e) in respect of whom amount A exceeds amount B where:
 - (i) amount A is the maximum Council Tax Reduction in respect of the day in the applicant's case; and
 - (ii) amount B is 2 6/7 per cent of the difference between his income for the relevant week and his applicable amount;
- (f) not have capital savings above £16,000; and
- (g) who has made an application for a reduction under the authority's scheme.

Class C: alternative maximum Council Tax Reduction

On any day class C consists of any person who is a pensioner:

- (a) who is for that day liable to pay council tax in respect of a dwelling of which he is a resident;
- (b) who, subject to paragraph 5 of Schedule 1 of the Council Tax Reduction Schemes (Prescribed Requirements) (England) Regulations 2012, is not absent from the dwelling throughout the day;
- (c) in respect of whom a maximum Council Tax Reduction amount can be calculated;
- (d) who does not fall within a class of person prescribed for the purposes of paragraph 2(9) of Schedule 1A to the 1992 Act and excluded from the authority's scheme;
- (e) who has made an application for a reduction under the authority's scheme; and
- (f) in relation to whom the condition below is met.

The condition referred to in sub-paragraph (f) is that no other resident of the dwelling is liable to pay rent to the applicant in respect of the dwelling and there is an alternative maximum Council Tax Reduction in respect of the day in the case of that person which is derived from the income, or aggregate income, of one or more residents to whom this sub-paragraph applies.

The above applies to any other resident of the dwelling who:

- (a) is not a person who, in accordance with Schedule 1 to the 1992 Act, falls to be disregarded for the purposes of discount;
- (b) is not a person who is liable for council tax solely in consequence of the provisions of section

- 9 of the 1992 Act (spouse's or civil partner's joint and several liability for tax);
- (c) is not a person who is residing with a couple or with the members of a polygamous marriage where the applicant is a member of that couple or of that marriage and—
 - (i) in the case of a couple, neither member of that couple is a person who, in accordance with Schedule 1 to the 1992 Act, falls to be disregarded for the purposes of discount; or
 - (ii) in the case of a polygamous marriage, two or more members of that marriage are not persons who, in accordance with Schedule 1 to the 1992 Act, fall to be disregarded for the purposes of discount;
 - (d) is not a person who, jointly with the applicant, falls within the same paragraph of section 6(2)(a) to (e) of the 1992 Act (persons liable to pay council tax) as applies in the case of the applicant; or
 - (e) is not a person who is residing with two or more persons both or all of whom fall within the same paragraph of section 6(2)(a) to (e) of the 1992 Act where two or more of those persons are not persons who, in accordance with Schedule 1 to the 1992 Act, fall to be disregarded for the purposes of discount.

Disregard of certain incomes

- 1.5 For those who have reached the qualifying age for state pension credit, the Council has resolved to enhance the government scheme (as defined by the Council Tax Reduction Scheme (Prescribed Requirements) (England) Regulations 2012 to disregard in full the following:
- (a) a war disablement pension;
 - (b) a war widow's pension or war widower's pension;
 - (c) a pension payable to a person as a widow, widower or surviving civil partner under any power of Her Majesty otherwise than under an enactment to make provision about pensions for or in respect of persons who have been disabled or have died in consequence of service as members of the armed forces of the Crown;
 - (d) a guaranteed income payment;
 - (e) a payment made to compensate for the non-payment of such a pension or payment as is mentioned in any of the preceding sub-paragraphs;
 - (f) a pension paid by the government of a country outside Great Britain which is analogous to any of the pensions or payments mentioned in sub-paragraphs (a) to (d) above;
 - (g) pension paid to victims of National Socialist persecution under any special provision made by the law of the Federal Republic of Germany, or any part of it, or of the Republic of Austria.

The provisions outlined above, enhance the Central Government's scheme.

THE SCHEME FOR WORKING AGE APPLICANTS – THE COUNCIL'S LOCAL SCHEME

- 1.6 The adopted scheme for working age applicants is an income band scheme means test, which compares income against a range of discounts available. Full details of the working age scheme of the authority are contained within this document from section 2 onwards. The authority is required to specify a scheme for working age and therefore this scheme only applies to a person who;
- (a) has not attained the qualifying age for state pension credit; or
 - (b) has attained the qualifying age for state pension credit if he, and his partner, is a person on income support, on an income-based jobseeker's allowance, on an income-related employment and support allowance or on universal credit.

- 1.7 The Council has resolved that there will be **one** class of persons who will receive a reduction in line with adopted scheme. The scheme has qualifying criteria. In all cases individuals must not be of a prescribed class exempted from reduction as specified within section 7 of this scheme.

Class D

To obtain reduction the individual (or partner) must:

- (a) have not attained the qualifying age for state pension credit; or
- (b) he has attained the qualifying age for state pension credit and he, or if he has a partner, his partner, is a person on income support, on income-based jobseeker's allowance or an income-related employment and support allowance; or a person with an award of universal credit.
- (c) be liable to pay council tax in respect of a dwelling in which he is solely or mainly resident;
- (d) is not deemed to be absent from the dwelling;
- (e) not fall within a class of person prescribed for the purposes of paragraph 2(9) of Schedule 1A to the Local Government Finance Act 1992 and excluded from the authority's scheme;
- (f) be somebody in respect of whom a maximum Council Tax Reduction amount can be calculated;
- (g) not have capital savings above £6,000;
- (h) not have income above the levels specified within the scheme;
- (i) be a person in respect of whom a day in which s/he is liable to pay council tax falls within a week in respect of which the person's *income* is within a range of incomes specified within Schedule 1; and
- (j) has made a valid application for reduction.

1.0 Introduction

- 1.1 The following policy outlines the Council's approach to granting discretionary reductions in liability for Council Tax under S13A (1) (c) of the Local Government Finance Act 1992 (as amended). The Council has the ability to the reduce liability for Council Tax in relation to individual cases or class (es) of cases that it may determine where national discounts and exemptions cannot be applied.
- 1.2 This policy is basically divided into two main areas namely:
- (a) **The Flood Recovery Framework** – this part of the policy covers situations outlined by Central Government where any parts of the Council's area were to be designated as a designated flood area; and
 - (b) **Granting of reductions in Council Tax liability in all other circumstances** - this part of the policy applies to all other circumstances where an application is made to the Council for a reduction in Council Tax liability under S13A (1) (c) of the Local Government Finance Act 1992 other than in respect of (a) above.

2.0 Legislation

- 2.1 The relevant legislation (S13 of the Local Government Finance Act 1992 as amended by the Local Government Finance Act 2012), states the following:

Reductions by billing authority

(1) The amount of council tax which a person is liable to pay in respect of any chargeable dwelling and any day ;

(a) in the case of a dwelling situated in the area of a billing authority in England, is to be reduced to the extent, if any, required by the authority's council tax reduction scheme;

(b) in the case of a dwelling situated in the area of a billing authority in Wales,

(c) in any case, may be reduced to such extent (or, if the amount has been reduced under paragraph (a) or (b), such further extent) as the billing authority for the area in which the dwelling is situated thinks fit.

- 2.2 The provisions stated in (c) above, allows the Council to reduce the Council Tax liability for any taxpayer in addition to any application for Council Tax Reduction under the Council's scheme. This is a general power that has always been available to the Council.
- 2.3 It should be noted that the Council maintains a separate Exceptional Hardship Fund within its Council Tax Reduction scheme should any applicant require additional assistance **and** suffer exceptional hardship.

3.0 Finance

- 3.1 Any amounts granted under S13A (1) (c) are normally financed through the Council's general fund and do not form part of the collection fund. In certain circumstances, Central Government provides funding directly to the Council to compensate for specific events such as in the case of severe flooding. Where this is available, the Council will look to use **all** funding provided.
- 3.2 Any additional assistance, outside of the funding, would fall to be paid by the Council itself.

4.0 The Flood Recovery Framework

- 4.1 In a severe weather event with significant wide area impacts, local authorities may need central support to help their communities and businesses return to normal. Building on these principles, a core package of business and community recovery support has been developed by Central Government to serve as a framework for flood recovery funding when needed.
- 4.2 It will be for Government Ministers to determine when this support will be made available. Weather incidents with localised impacts will not usually trigger a recovery support package.
- 4.3 In relation to Council Tax, Central Government have developed a Council Tax discount package that is available under S13A (1) (c).

Who is eligible for a council tax discount?

- 4.4 Where the Council Tax Discount Scheme is activated following severe weather, MHCLG will refund eligible local authorities for granting discounts in the following circumstances:
- (a) 100% discount for a minimum of 3 months, or while anyone is unable to return home if longer, for **primary residences** whereas a result of the relevant weather event:
- Flood water entered into the habitable areas; or,
 - Flood water did not enter into the habitable areas, but the local authority regards that the residence was otherwise considered **unliveable** for any period of time. **AND**
- (b) 100% council tax discount on temporary accommodation for anyone unable to return to their home, in parallel with the discount on their primary residence where applicable.
- 4.5 Second homes and empty homes will **not** be eligible.
- 4.6 Instances where households might be considered **unliveable** could include:

- where access to the property is severely restricted (e.g. upper floor flats with no access);
- key services such as sewerage, draining, and electricity are severely affected;
- the adverse weather has resulted in other significant damage to the property such that it would be, or would have been, advisable for residents to vacate the premises for any period of time, regardless of whether they do vacate or not;
- flooded gardens or garages will **not** usually render a household eligible but there may be exceptions where it could be demonstrated that such instances mean effectively that the property is unliveable.

4.7 It will be for the Council to determine eligibility under the scheme.

Properties affected by multiple instances of flooding

4.8 Residences impacted in multiple flood events will not be precluded from repeat support where this is made available by Government in respect of separate weather events.

4.9 Where the scheme is activated for two separate instances of flooding within 3 months of each other, the two discount periods will run concurrently. For example, if the second flood event occurred after 2 months, flooded properties already receiving support could be eligible for another 3 months' discount, making the total period of reimbursement 5 months.

Funding

4.10 In such cases, Central Government will make payment to the Council via a Section 31 grant.

The Council's Policy in respect of the Flood Recovery Framework

4.11 The Council shall operate the scheme strictly in accordance with Central Government guidelines.

5.0 Applications for S13A (1) (c) in other cases

- 5.1 Where the Council receives an application for a reduction in liability in any other case, all applications will be treated on their individual merits.
- 5.2 The Council has the ability to reduce the liability of:
- Individual Council Taxpayers;
 - Groups of Council Taxpayers defined by a common set of circumstances;
 - Council Taxpayers within a defined area; or
 - To all Council Taxpayers within the Council's area
- 5.3 In all such cases, the Council will require the applicant (s) (where appropriate) to:
- Make a formal application for Council Tax Reduction in an appropriate format;
 - Consider potential changes in payment methods and payment arrangements;
 - Assist the Council to minimise liability by ensuring that all discounts, exemptions and reductions are properly granted;
 - Maximise their income through the application for other welfare benefits;
 - Have taken all reasonable steps to resolve their situation prior to application;
 - Provide evidence of exceptional financial hardship or exceptional personal circumstance that would merit a reduction in the Council Tax liability; and
 - Not have access to assets, capital or other financial remedy that could be used to meet the Council Tax liability;
- 5.4 The circumstances affecting the ability to meet Council Tax liability must not be intentional by the applicant and must be deemed to be out of the applicant's individual control.

6.0 Delegated Powers

- 6.1 Revenues & Benefits Senior Officers will assess and determine all exceptional financial hardship applications from individuals.
- 6.2 Decisions on all other matters related to this policy including technical changes will be taken by the Section 151 Officer and Portfolio Holder for Finance.

7.0 Notification

- 7.1 In all cases, the Council will issue a written decision letter to the applicant within one month of the request or as soon as practicable thereafter. This will include:
- the level of the award, if relevant;
 - full reasons for the decision;

- how it will be paid; and
- information about how to ask for a review of the decision.

8.0 Review of Decisions

- 8.1 Where any application is refused, the applicant will be notified that they can ask for the decision to be reviewed. Any request for a review must be made, in writing or by email, within one month of the decision letter.
- 8.2 The Revenues and Benefits Manager shall undertake the review and shall respond within two months and will have regard to any further evidence supplied.
- 8.3 If the applicant is dissatisfied with the outcome of the review, they can, within two months of the Council's reply, appeal to the independent Valuation Tribunal Service to consider their case.

9.0 Duration of Reduction

- 9.1 The duration of any award will depend on the circumstances of each case. However, in all cases the following principles will apply:
- (a) Where the reduction is applied under a Central Government Scheme, the reduction shall be applied to the Council Tax account for the period specified in Government guidance or until as such time as Central Government finance is exhausted. This will not however prevent further applications under this policy on an individual basis;
 - (b) In all other cases,
 - (i) the application for the reduction can only relate to the current Council Tax financial year in which the application is made unless the delay was due to an exceptional circumstance; and
 - (ii) If an application is successful, the award period will be specific to the applicant's circumstances, but it cannot exceed a period greater than the financial year it has been awarded in or exceed the total Council Tax charge for that period.

10.0 Changes in circumstances and misrepresentation

- 10.1 A reduction in liability under S13A (1) (c) can be recovered if it has been made as a result of misrepresentation or failure to disclose a material fact, either fraudulently or otherwise. It can also be recovered as a result of the subsequent application of a national discount or adjustment in banding by the Valuation Office Agency

- 10.2 Changes of circumstances that subsequently negate the need for a reduction in liability under this policy will be recovered by the Council. Where this occurs, the Council shall notify the taxpayer accordingly.
- 10.3 Reductions in liability are not transferable following a change in address.
- 10.4 The Council reserves the right to recover any reductions in liability as a result of a change in legislation or regulation.
- 10.5 The Council is mindful that it is important to protect public funds and, as such, will take action to prosecute any case where the applicant acts fraudulently in applying for a reduction in Council Tax liability.

11: Under the current Council Tax Support scheme, the council can apply an assumed income to self-employed people who declare that they have had a very low income for more than a year. This is known as the “minimum income floor”. Under new proposals the Council intends to remove this part of the scheme and base Council Tax Support on the actual income that the self-employed person is getting when they apply. How do you feel about this approach?

There were 31 responses to this part of the question.

12: The Council’s current scheme, restricts the amount of Council Tax Support that can be awarded to residents who live in properties that are in Council Tax bands E, F, G and H. The restriction means that their Council Tax Support would be based on if their property was a Council Tax band D. Under the proposed scheme Rochford Council plans to remove this restriction from April 2022 and base entitlement on the property the applicant lives in regardless of the Council Tax Band, how do you feel about this approach?

There were 31 responses to this part of the question.

13: Rochford Council also has the option to not make any changes to the current Council Tax Support Scheme. This would mean residents would still be required to complete a 28-page application form and receive complex notification letters. Residents are also likely to have to wait longer for a decision on their application than they would under the proposed scheme. How do you feel about leaving the current scheme unchanged?

There were 31 responses to this part of the question.

14: Do you have any other comments to make on the proposals? If so, please tell us in the box below

“Anyone able to work and receiving council tax benefit should be required to carry out work for the benefit of the local community to the value of the benefit received.”

“To make it clear where people will be worse off under the new scheme rather than just show the people better off. Just show a balance.”

“As a single childless person who uses considerably less services and resources and who currently receives a 25% single person discount - I think it would be highly unfair to have to pay full council tax due to my income with no regard for my expenditure and unique circumstances. The income bracket you describe is not taking into account the extreme rising costs of living and fuel bills or any other personal circumstance. It's quite a violation that I would have proven status of my income instead of the assumption that a single working person uses far less resources than most of the residents. It penalises singletons once again. We already have a lot stacked against us. I don't think this direction is helpful nor welcome. I find the assumption grossly unfair. We have no choice whether to pay council tax or not and it is some of the highest in Europe. I live in a modest house with a modest income. I do not expect to have to prove my financial status to receive the single person discount. It's intrusive and a step towards more data mining. I will definitely be much more interested in what the council are spending my money on if the single person discount is removed.”

“Seems a reasonable approach”

“I do not see why working people have to support those who may get a lot of additional financial help from the state, income which you seem to want to ignore in part in the future. This is totally wrong and increasing a burden on those who already pay full Council tax. I am not against simplifying the system but not at the expense of disregarding people's income whether from benefits etc. or not.”

“A brilliant and well thought out proposal”

“I'm struggling to pay my council tax every month. I part work part universal”

“If residents are given assistance from the council then this should be regarded as an income, when any assessment is made on income, it should include these benefits not exclude them.

The council should continue to represent all residents and I feel as a result renders these proposals unfair and unjust.”

Appendix 3

“Can we please have access to a local landfill site for our rubbish that is not covered under the curbside collection”

“The proposals may be simpler, but appear more generous. Who pays for the additional benefits - presumably the rest of the council tax payers?”
