

ISSUES ARISING FROM COMMUNITY OVERVIEW & SCRUTINY COMMITTEE

1 HEALTH AND SAFETY SERVICE PLAN

- 1.1 This item of business was referred to the Community Services Committee by the Community Overview & Scrutiny Committee on 15 July 2004 with the recommendation that the Health and Safety Service Plan be approved. A copy of the officers' report is appended.
- 1.2 This report had been referred by the Policy Committee to the Community Overview & Scrutiny Committee in order that it be considered in conjunction with a report on the security, health and safety of sheltered housing.
- 1.3 In response to Member questions, the Head of Housing, Health & Community Care advised on the areas covered by the Plan, which was very much about the Council's enforcement role within local businesses. It was recognised that fire safety matters were not within the remit of the plan.
- 1.4 It is proposed that the Committee **RESOLVES**
- That the Health and Safety Service Action Plan be approved.
