

<p>Item R1 07/01075/FUL</p> <p>7 Woodlands Close, Rayleigh</p>	<p>The recommendation to Approve included on the Weekly List for this item was omitted from page 6 when it reappeared on the Committee Schedule. It should have read:-</p> <p>An additional consultation response has been received from the Rayleigh Civic Society as follows:-</p> <p>‘The access to this site is very narrow; whilst satisfactory for one house, we question whether it is acceptable for two houses. The proposed house on Plot 2 will seriously overshadow the house at No. 5 (Richmond Drive). Woodlands Close appears to be seriously cluttered with parked vehicles. The addition of another house in this road will lead to yet further congestion.’</p>
