### **98 LICENSING APPLICATIONS – LICENSING ACT 2003**

#### **(1) The Local, 132 London Road, Rayleigh, SS6 9BN**

The Sub-Committee considered an application for review of a premises licence made under section 51 of the Licensing Act 2003. The application was made by the Police on the grounds of the licensing objective relating to the protection of children from harm, following an under-age sale at the premises on 27 June 2009.

The Police had requested that an additional 7 conditions be added to the premises licence, as listed on appendix A1 to the officer's report; the applicants had accordingly accepted these conditions.

In response to a Member question relating to condition 3, which related to the display of CCTV signs at the premises, officers advised that there was no formal deadline for erecting the signs. However, most of the Police conditions had already been implemented by the applicants and the premises would in due course be checked by Trading Standards and Council Licensing officers.

Responding to a further Member enquiry relating to future reviews, officers confirmed that a review of the premises licence could be called at any time by any interested party or responsible authority, should the need arise.

Having considered all the evidence, the Sub-Committee considered that the conditions requested by the Police should be added to the premises licence.

**Resolved**

That the Police conditions, as set out in appendix A1 to the officer's report, should be added to the premises licence as additional, mandatory conditions. (HES)
