Dear Mr. Bostock,

Appointment to Outside Bodies ROCHFORD SPORTS COUNCIL

At our last Meeting on the 9th instant, this subject was raised and I was asked by members to write to express their dismay that Rochford District Council had not appointed a representative to attend our Meetings

For very many years their attendance, with helpful and constructive input has been appreciated and valued. It is hoped this situation will change and that we will again be able to welcome your representative.

We have an Annual General Meeting on 21st October, 2004 at the Civic Suite, Rayleigh, and a Meeting on 2nd December, both starting at 7.30pm I hope that I may have a positive reply for our members.

Yours sincerely,
