

REVIEW OF OUTSIDE BODIES - ROCHFORD HEALTH PARTNERSHIP BOARD

The Head of Housing, Health and Community Care has received correspondence from Castle Point Borough Council indicating that the Borough has agreed to appoint three Members to the Health Partnership Board. This would represent a reduction from four appointees to three.

At the last Partnership Board meeting, the Chief Executive of the Primary Care Trust observed that he would prefer not to see District Council representation reduced too greatly in view of the Board's objective of maintaining strong involvement from partners.
