7 2006 Celebrations

To commence discussion on the possibilities for St. George's Day 2006/agree a date for the next meeting.

Note: Rayleigh Brass has already agreed, in principal, to a concert in 2006 at the Freight House (and the Freight House has been reserved). During discussions last year the Sub-Committee observed that there would be merit in considering the possibilities for utilising the Rayleigh Mount in future year(s) and involvement by the Rayleigh Amateur Dramatic Society.
