

## ENVIRONMENTAL STATEMENT FOR BRADWELL NUCLEAR POWER STATION - CONSULTATION

### 1 SUMMARY

- 1.1 Following a presentation, Members are invited to determine the Council's response to this Consultation.

### 2 CONSULTATION PROCESS

- 2.1 The Council has been invited to comment on proposals for the decommissioning of Bradwell Nuclear Power Station. A copy of the full Environmental Statement has been a deposit in the Members' Room.
- 2.2 At the last meeting it was resolved to invite representatives from Magnox Electric to this Committee and Mr P Wright, Station Manager, will be attending to provide further information and answer questions.
- 2.3 The closing date for responses to this consultation is 30 September and therefore the Committee will need to determine its view in the light of the information that has been provided in previous reports, the Environmental Statement and the presentation.
- 2.4 In summary, the three options are:
- (a) Early site clearance (early dismantling)
  - (b) Deferred site clearance (deferred dismantling)
  - (c) On-site Disposal (in-site decommissioning/removing)

### 3 RECOMMENDATION

- 3.1 It is proposed that the Committee **RESOLVES**

The Council's response to this consultation. (HHHCC)
