C C Langlands, Mrs M D McCarthy, G A Mockford, P K Savill,  
J Thomas And Mrs M J Webster**

The Proper Officer reports that an amendment has been received from the above named Councillors to the Motion set out in the report. The effect of the amendment is to replace the wording in the first paragraph so that the full Motion now reads as follows:-

“Rochford District Council fully supports Mr Brian White in adopting the Home Energy Conservation Bill as a Private Members’ Bill. It is regrettable that this Bill, which will be of positive public benefit in delivery of warm, safe, energy saving homes to residents in Rochford and throughout the country, has not received a place in the Government’s legislative programme.

Council notes that this Bill has support from the Members of three main political parties and Help the Aged, Unison, Friends of the Earth and many other organisations, such as the British Energy Efficiency Federation.

Council agrees that a copy of this resolution be sent to local Members of Parliament and the Local Government Association.”
