- There is an effective control environment; and
- Officers provide prompt responses to our draft reports.

Meeting these assumptions will help ensure the delivery of our audit at the indicative audit fee which is set out in the table below.

In addition, we will charge in addition to the scale fee for the auditor's consideration of correspondence from the public and formal objections.

As we have not yet completed our audit for 2015/16, our audit planning process for 2016/17 will continue as the year progresses. We will review and update fees as necessary, within the parameters of our contract.

Certification fee

The PSAA has set an indicative certification fee for housing benefit subsidy claim certification work for each audited benefits authority. The indicative fee is based on actual 2014/15 benefit certification fees, and incorporating a 25 per cent reduction.

The indicative certification fee is based on the expectation that an audited body is able to provide the auditor with a complete and accurate housing benefit subsidy claim with supporting working papers, within agreed timeframes.

The indicative certification fee for 2016/17 relates to work on the housing benefit subsidy claim for the year ended 31 March 2017. We have set the certification fee at the indicative fee level. We will update our risk assessment after we complete 2015/16 benefit certification work, and to reflect any further changes in the certification arrangements.

Summary of fees

	Indicative fee 2016/17 £	Planned fee 2015/16 £	Actual fee 2014/15 £
Total Code audit fee	47,657	47,657	63,543
Certification of housing benefit subsidy claim	8,520	8,184	11,360

We will negotiate separately and agree with you in advance any further additional work that we may agree to undertake (outside of the Code of Audit Practice).

Fees for the auditor's consideration of correspondence from the public and formal objections will be charged in addition to the scale fee.

Billing

The indicative audit fee will be billed in 4 quarterly instalments.

Audit plan

We expect to issue our plan in March 2017. This will communicate any significant financial statement risks identified, planned audit procedures to respond to those risks and any changes in fee. It will also set out the significant risks identified in relation to the value for money conclusion. Should we need to make any significant amendments to the audit fee during the course of the audit, we will discuss this in the first instance with the section 151 Officer and, if necessary, prepare a report outlining the reasons for the fee change for discussion with the Audit Committee.
