

NOTICE OF POLICY DECISIONS

The Planning Policy and Transportation Committee made the following decisions at its meeting on 28 November 2006:-

<u>Item</u>	<u>Decision</u>
The Formation of Natural England (Minute 408/06)	That a letter be sent to the relevant Government Minister expressing this Council's concern that this new body will not be as effective as its current 4 constituent parts. There is likely to be a conflict of interest within the body because of competing priorities, and the Government has, at a stroke, reduced any opposition to its development plans from 4 to 1.
Supplementary Planning Document Consultation Responses (Minute 409/06)	That the Planning Policy Sub-Committee should give detailed consideration to supplementary planning documents 1 to 8 and report back to this Committee with its recommendations. (HPT)
Request for Financial Support from the Rural Community Council of Essex (Minute 411/06)	That financial assistance should not be provided to the Rural Community Council of Essex to fund a field worker for Rochford District in 2007/08, but that this should be included within Parish Council precepts. (HPT)

The above decisions will come into force, and may then be implemented, on the expiry of five working days after the publication of this Notice, unless referred to Full Council by a minimum of three Members or called in by the Review Committee.
