
ITEM FROM THE REVIEW COMMITTEE

1 REVIEW OF THE OPERATION OF THE PLANNING ENFORCEMENT SERVICE

- 1.1 At its meeting on 20 March 2007 the Review Committee approved the final report and recommendations of the Project Team on the Review of the Operation of the Planning Enforcement Service. The Review concluded that Members' knowledge of planning law needed to be kept current if they were to be asked to deliberate on certain cases and a recommendation that arrangements are made for additional Member training in Planning Law and specifically enforcement was developed in that regard.
- 1.2 It was felt to be of high importance that all Members should be encouraged to attend additional training in planning law and specifically enforcement.
- 1.3 It is proposed that the Committee considers the recommendation of the Review Committee that arrangements are made for additional Member training in Planning Law and specifically enforcement to be provided.

Note: In view of the recommendation of the Review Committee the next report on the agenda relating to the Member Training and Development Programme (Item 6(2)) includes provision for enforcement training.
