

## **COUNCIL CONSTITUTION**

Reference to the “Executive Board” occurs in certain paragraphs in the draft Constitution. It would assist clarity to refer to the “Executive” throughout and authority is sought for this amendment and for any other minor typographical errors identified in the draft prior to publication of the revised constitution.

### **Recommendation:**

It is proposed that the Council resolves to adopt the revised Constitution subject to the above and delegation to the Corporate Director (Internal Services) to amend any other minor typographical errors identified before publication.

John Honey
