Amendment to Description</p> <p>The report was originally circulated with an incorrect item description. This is to be amended to:-</p> <p>‘Erect single-storey rear extension’</p> <p>Officer Comment:</p> <p>The original item description included roof lanterns in the application. This was an error and had not been picked up on previously. The proposed single storey extension would not include roof lanterns. The report written takes into account a flat roofed addition with no roof lanterns. Therefore it is only the description to be amended.</p>
<p>Item 11(1)</p> <p>16/00636/FUL</p> <p>204-206 Ashingdon Road, Rochford</p>	<p>1. Amendment to Policy Reference</p> <p>The officer’s report incorrectly references policy SAT 8 of the Local Plan 2006 in the paragraph relating to shop front design. This policy has since been superseded. The report should instead refer to Supplementary Planning Document 4: Shop Fronts Security and Design (2007).</p>
