

## REPORT OF THE ENVIRONMENTAL SERVICES COMMITTEE – 11 DECEMBER 2003

### 1 DECRIMINALISED PARKING ENFORCEMENT – PROGRESS REPORT

- 1.1 This item of business was referred by the Environmental Services Committee on 11 December to Council with recommendation that Committee Room 3 at the Civic Suite be converted into office accommodation for the Transportation Team. A copy of the officer's report to the Committee is attached.
- 1.2 Members of the Committee noted that the introduction of DPE within the District should lead to better traffic flow around town centres and should also free up car parking spaces for those who really needed them. There was, however, much work to be completed on DPE over the next six months. It was therefore crucial that office accommodation be created for DPE staff at the Civic Suite early in the New Year.
- 1.3 It is proposed that Council **RESOLVES**
- (1) That Committee Room 3 at the Civic Suite be converted into office accommodation for the Transportation Team. (HRHM)
