Dear <sup>Mr</sup> Peacey / Mr Packhamre: Karaoke license.

my proposals to reduce any possible noise nuisance are:-

- 1) limit music to 8pm - 11pm.
- 2) Ensure all windows and doors ground floor are closed excluding toilet windows.
- 3) check frequently that music is not audible beyond boundaries of premises (as discussed with yourselves on 13th Dec 01).
- 4) The entertainment license I am applying for is for Karaoke only.

I confirm you may show this letter to objectors.

Yours Sincerely.

Miss S. Breers.
