

MOTION ON NOTICE RECEIVED PURSUANT TO COUNCIL PROCEDURE RULE 12

From Councillors Mrs M S Vince, Mrs M A Weir and R A Amner

The Proper Officer reports that the following Notice of Motion has been received from the above named Councillors:-

“Since the changes to the traffic flow of vehicles wishing to park in Rochford Town Square, traffic congestion has so worsened that frequent tailbacks, the length of South Street, the main road into Rochford Town, are now a regular occurrence.

Other roads, such as North Street, are similarly affected.

These frequent tailbacks have an adverse effect on the public transport serving Rochford, deliveries to shops and businesses and private motorists trying to access their homes.

As a matter of urgency, will this Council request that County Highways consider all measures, including reversing the traffic flow within Rochford Square, to address this growing problem, and report back with their conclusions.”
