1 SUMMARY

- 1.1 This report seeks authorisation from Council to set the Council Tax for the year 2007/08. The Appendices referred to in the report will be sent under separate cover before the meeting.

2 BACKGROUND

- 2.1 At the Council Meeting held on 30 January 2007, the Council agreed the Revenue Budget for 2007/08 within a five-year budget strategy. It was agreed to set a local tax with an increase of 4.90%.

The Committee budget summary and Balances is shown in **Appendix A**.

In order to set the total Council Tax information is required from Essex County Council, Essex Police Authority, Essex Fire Authority, the Parishes and Town Council within the District. All Authorities have now notified the District Council of their precepts.

3 BUDGET STRATEGY

- 3.1 At the Council Budget Strategy meeting held on 30 January, the Head of Finance, Audit and Performance Management advised Members that she would be able to give the necessary assurances with regard to the robustness of the budget.
- 3.2 The estimate process has been employed successfully over a number of years. It has been the subject of review by both internal and external audit. The system used is regarded as producing robust information for Members' consideration of the budget strategy.
- 3.3 The Treasury Management Strategy Statement was also agreed at Council on 30th January 2007.

4 NATIONAL NON DOMESTIC RATE (NNDR) AND ECONOMIC DEVELOPMENT

- 4.1 The Authority is required by law to separately identify the figure in respect of economic development in advance of the coming financial year. For 2007/08 this is estimated at £105,600 using the best value format of estimates, which includes staffing and National Non Domestic Rate (NNDR) relief (£102,300 in 2006/07).
