
ADDENDUM

- 1 Following the adjourned meeting of the Taxi Licensing Sub Committee of the 2 November, Members requested an up to date version of report appendix 3, which is now attached. Consideration ought to be given to formalising the process for future years and the Head of Service is suggesting that the Taxi Trade submit their proposals by 31 May each year for a consideration by the Sub-Committee in July, referral to the policy committee in September and implementation in October.

RECOMMENDATION

- 1.1 It is proposed that the Committee determines its recommendations to Environmental Services Committee and agrees the proposed timetable for future fare increases as suggested above.
