

CHARGES FOR SERVICES DELIVERED

1 SUMMARY

- 1.1 The Sub-Committee to seek the views of the Rochford Hackney Carriage Drivers Association and the Association of Circuit Company Owners in the Rochford District on fees and charges for carrying out the hackney carriage and private hire licensing function.

2 INTRODUCTION

- 2.1 Appended to this report is the schedule of proposed charges for services delivered to the hackney carriage and private hire trade. The aim of the charges is to simplify them and to introduce new fees for services not previously charged for. Charges to the trade should provide a cost neutral service to the Council taxpayers. The charges were considered and approved by Council on 27 January subject to this consultation exercise.

3 RECOMMENDATION

- 3.1 It is proposed that the Committee consider the proposed charges in consultation with the Taxi Associations representatives and **RECOMMENDS** accordingly.
