

FLORAL DECORATIONS

1 SUMMARY

- 1.1. The purpose of this report is to advise Members of work being carried out by Rayleigh Town Council in Mill Hall Car Park and to determine whether or not the Council would wish to contribute towards the cost.

2 SCHEME DETAIL

- 2.1. The Town Council currently supplies and maintains flower baskets throughout Rayleigh Town Centre.
- 2.2. With the completion of the car park refurbishment at Mill Hall the Town Council believes that flower baskets within this area would compliment the town as a whole.
- 2.3. The Corporate Director (Finance and External Services) has given permission for the Town Council to erect brackets on the lamp columns for flower baskets. The brackets are to be fully in accordance with Council specification and the full cost is to be met by the Town Council.
- 2.4. The Town Council is carrying out the supply and fitting of the brackets and they will then supply and maintain 12 flower baskets.
- 2.5. The cost of the supply and fitting of both brackets and baskets is in the region of £700. The Town Council has asked if the District Council would wish to make a financial contribution to the project.

3 ENVIRONMENTAL IMPLICATIONS

- 3.1. The flower baskets do enhance the visual aspect of the car park during the summer months.

4 RESOURCE IMPLICATIONS

- 4.1. There is no budget available at present for a contribution to be made. If, however, Members were minded to make a small contribution, the sum would be within the Corporate Director's delegated virement approval limit. It would then be possible to give approval in principle, subject to a virement being identified during the remainder of the year.

5 PARISH IMPLICATIONS

- 5.1. The work is completely contained within the Rayleigh Town Council area.

6 RECOMMENDATION

It is proposed that the Committee **RESOLVES**

- 6.1. To note the work carried out by the Town Council.
- 6.2. To determine an amount, if any, in respect of a financial contribution, subject to a suitable virement being identified.
