
LOCALISM PROGRAMME OF WORKS FOR 2009-10

1 SUMMARY

- 1.1 To advise Members of the schemes for inclusion in the Localism initiative for 2009-10 and provide an update on highways matters raised at previous meetings.

2 INTRODUCTION

- 2.1 This year the Locally Determined Programme has been superseded by a new County Council initiative called “Localism”. This report identifies the schemes for implementation in 2009-10 and in addition sets out a list of schemes and projects that may be considered by the Area Committees for 2010-11. The principles of localism and the objectives for the Area Committees are explained in an accompanying report.

3 SELECTION AND DELIVERY OF SCHEMES

- 3.1 In order to ensure that schemes can be delivered in the current financial year, it has been necessary for the County Council to draw together a programme of works for Rochford, which is intended to form the basis of the Localism programme for 2009/10. Schemes forming the programme have been taken from the wish list of schemes that Parish Councils and District Members were asked to provide earlier in the year.
- 3.2 Included in the list is the Essex County Council's Maintenance Programme for footway and carriageway resurfacing 2009-10. This list has been drawn together using visual surveys, machine-based surveys and local engineering knowledge, together with an understanding of Members' concerns about the Network.
- 3.3 Appendix A shows the combination of both Localism Improvement and Maintenance schemes as the programme of works for 2009-10.
- 3.4 In addition to the 2009-10 list of schemes, a further list of schemes put forward by Members has been collected together and is shown in Appendix B. This will form the basis of a programme of works to be developed by the Area Committees for 2010-11, though if there are any delays in the schemes for 2009-10, the Area Committee will be able to identify an alternative option from Appendix B to be brought forward for earlier implementation.

4 COUNTY HIGHWAYS UPDATE

- 4.1 Appendix C provides updates relating to Highways issues raised at previous meetings of the East Area Committee.

5 RESOURCE IMPLICATIONS

- 5.1 Essex County Council is funding the Localism initiative.

6 LEGAL IMPLICATIONS

- 6.1 The Localism initiative enables the Council to have greater involvement in determining the highway schemes, projects and works to be implemented in the District, but Essex County Council remains the Highway Authority for the area and has the right to veto the implementation of schemes or projects, particularly if there is a strategic reason for doing so.

7 PARISH IMPLICATIONS

- 7.1 Parish representation will be through the Area Committees and this will avoid the need for separate consultation on possible highway schemes as has been the case in previous years.

8 RECOMMENDATION

- 7.1 It is proposed that, subject to comments from Members, the Committee resolves to agree the list of works proposed for implementation in 2009-10 for the East Area, and to note for further consideration the programme of schemes to be considered for 2010-11.

East Area Committee Update

At the last meeting of this Committee, a number of issues were raised that required further investigation.

Ref No	Issue	Progress	Officer details
32/07 (Minute 368, 32/09)	Resurfacing of Brays Lane to the Baltic Wharf.	Although repairs will be carried out on the road from Ashingdon Road through to Wallasea Island the major funding is allocated to reconstruct the carriageway at Lion Wharf. This work is planned for 2009-10.	Lyn Harvey Essex County Council 01268 297540
28/08 (Minute 224/08, 32/09)	Flooding in specific areas in Great Wakering.	<ul style="list-style-type: none"> • Poynters Lane: grips (drainage channels in the verge) have been cut along the whole length of the road to remedy the problem. • Corner of Crouchmans Ave and High Street: work recently completed. • Outside The Mallards and the High Street: the accumulation of water at this point does drain away within two hours after the rain has stopped. No immediate works are envisaged. 	Lyn Harvey Essex County Council 01268 297540
32/08 (Minute 257/08)	Sutton Road drains (gullies that were not clean and were not free running) and potholes in the road.	<p>Drainage works were carried out prior to the road surfacing that was completed at the end of March.</p> <p>Although the Sutton Ford Bridge scheme is in the Highways' programme for Spring 2010,</p>	Lyn Harvey Essex County Council 01268 297540

Appendix C

Ref No	Issue	Progress	Officer details
		the funding has not been confirmed and cannot be 'ring-fenced' in advance.	
34/08 (Minute 257/08, 32/09)	Speeding traffic along the Barling Road from Stonebridge to Barling.	A speed check carried out in the village determined that there was not a significant speed problem. The details of the survey have been passed to the Police and the Parish representative has been advised of the findings.	Lyn Harvey Essex County Council 01268 297540
36/08 (Minute 257/08)	Investigate the possibility of re-siting the bus stop outside Great Wakering Medical Centre (away from the zebra crossing but still outside the Medical Centre).	This work has now been completed.	Lyn Harvey Essex County Council 01268 297540
41/08 (Minute 288/08)	Widening of footpath to Stambridge School.	It was reported at meeting on 19/3/09 that, although works have been completed, large holes are being pushed up through the newly laid tarmac. Repairs have been undertaken where there are problems.	Lyn Harvey Essex County Council 01268 297540
43/08 (Minute	Due to safety concerns, possibility of having the white lines at the edge of the Southend Road, Great Wakering re-painted and installing reflecting road studs.	Edge of carriageway markings and studs have been introduced.	Lyn Harvey Essex County Council 01268 297540

Appendix C

Ref No	Issue	Progress	Officer details
1/09 (Minute 31/09)	Flooding outside Moons Farm, Canewdon Road.	Report of flooding, which causes traffic problems and is potentially dangerous, to be investigated and those residents affected contacted. Some works are planned for the summer with additional works in conjunction with the landowners cropping cycle.	Lyn Harvey Essex County Council 01268 297540
2/09 (Minute 31/09)	Flooding on the Stambridge Road.	The issue of flooding on the Stambridge Road (entering Stambridge, between Ash Tree Court and the bridge) would be investigated during periods of heavy rain. The highway drainage system here is clear but there is a blockage in the Anglian Water system which has been reported.	Lyn Harvey Essex County Council 01268 297540
3/09 (Minute 31/09)	Invitation to the County Council Cabinet Member for Highways and Transportation to attend a meeting of the East Area Committee.	Detail on highway initiatives now considered by the Committee under localism agenda.	Lyn Harvey Essex County Council 01268 297540
