<b>Town Centre Enhancement Schemes - Funding arrangements</b>	<p>(1) That £15,000 of the £100,000 made available for the enhancement of Rochford Town Centre be allocated to the creation of a new access (in-only) to the Rochford Back Lane car Park at the end of Locks Hill, with the existing entrance becoming an exit only into Back Lane.</p> <p>(2) That the remaining £85,000, together with any underspend from Rochford, be re-allocated to the enhancement schemes in Hullbridge and Hockley, with up to £25,000 being used to construct phase 2 of the Hullbridge scheme and £60,000, plus any unused funds from Hullbridge, being utilised for the Hockley scheme.</p> <p>(3) That the Area Manager, County Highways, report back to this Council on the outcome of the current investigation into the various concerns associated with Contract 2000 as they relate to the Town Centre Enhancement Schemes within the District.
