Dear Mr Peacey

Re: Public Entertainment Licence, 'The Anchor', Great Wakering, Essex

As you are aware no other premises in Wakering have the benefit of a PEL. The Exhibition [illegible] made use of the fact it was granted one. From a Police point of view I would have concerns for this premises, or any other premises in Wakering for that matter, to hold a PEL. I base this observation on the amount of calls I have received from residents experiencing problems from the licensed houses in the High Street.
I note the application is for Monday to Saturday from 8pm until 11pm. If this application proceeds I would be looking at the following conditions.
All doors/ windows to be closed when in force.
No under 18 year olds.
Numbers to be carefully monitored by the Licensee(s).
CCTV to be in place and used in accordance with your policy.
I accept the last condition may be debatable. Would it also be possible for an undertaking that no Sunday PEL be applied for?
Although I can see objections from the residents to this matter, if the above conditions are attached to the PEL then I would have no objection to this application.

Yours Sincerely

Kevin Hainsworth
