

## WEST AREA COMMITTEE UPDATE

At the last meeting of this Committee, a number of issues were raised that required further investigation.

Ref No.	Issue	Progress	Officer details
38/09 (Minute 307/09)	Another advertisement has appeared on the A1245 on land adjacent to the Fairglen interchange (Issue raised by a resident during the Community Forum item)	The advertisement attached to a lorry on land adjacent to the Fairglen Interchange is subject to legal advice on prosecution. The key point is that the Advertisement Regulations are not ideal for dealing with advertisements attached to moving vehicles, and advice is sought on whether a prosecution might be feasible if it can be demonstrated the primary use for the vehicle is to display the advertisement.	S Scrutton Rochford District Council 01702 318100
39/09 (Minute 307/09)	Parking of HGVs in Disraeli Road, Rayleigh (Issue raised by a resident during the Community Forum item)	Concerns from residents regarding the parking of HGVs in Disraeli Road are being investigated. A Planning Contraventions Notice was issued to seek information about the parked vehicles, followed by the issue of an enforcement notice, which has been appealed. An Inquiry will be held on 5 October 2010.	S Scrutton Rochford District Council 01702 318100
01/10 (Minute 55/10 and 183/10)	Rawreth Parish Council concern that the area in and around Swayne Park car park continued to suffer from flooding. (Issue raised by a resident during the Community Forum item)	To improve the drainage on the access to our car park the land drains are to be extended in this area, which may incidentally improve the general drainage of this naturally boggy and low laying area.
